We are in full swing with planning our first annual Sip & Shop event. This event is a fundraising event for our chapter. Our purpose is to work together to raise additional funds for our chapters. In doing so it will allow us to continue in our mission to promote Hellenism, Education, Philanthropy, Civic Responsibility, and Family & Individual Excellence.

The idea of this event is to host an afternoon where women can bring their mom, sisters, girlfriends, etc., for a day of shopping, wine and food tasting, from local vendors. We are asking local vendors to either showcase their and/or sell their products. It is our hope to have a variety of vendors that will sell items such as purses, jewelry, makeup, clothing, and home products. We would also like to invite some of our parishioners who have wineries and restaurants to bring their wines and sample foods for our guest to try while they are shopping. In addition to the vendors we would also like to have a raffle which will be items from the vendor's products. We believe this is a great opportunity for not only our chapters but for our parishioners with businesses in our area and local vendors to help out each other.

We will discuss this event in more detail at our next meeting. If you have a business and would like to be a part of this event or know of any vendors that would be interested in participating please email the following information to Maria Leles: [maria.leles@att.net](mailto:maria.leles@att.net) so we can have a vendor letter to sent to each vendor.
